

7. Stowaway

The complete outdoor event promotional display, Stowaway is perfect for outdoor events. This lightweight display is highly durable and erected in seconds by one person. Stowaway compacts into its own carry bag and can be transported as hand luggage. Graphics are showerproof and washable

8. 'A' Sign Board (steel backed)

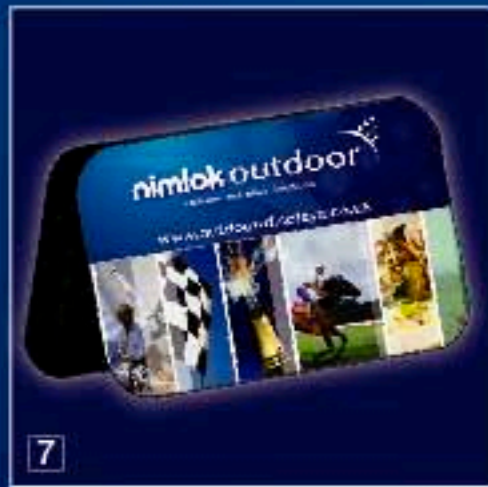

The External 'A'-Sign Board has been specially developed for ease of use using our popular spring loaded Trappa Frame graphic holder. This outdoor version has a galvanised steel backing adding extra strength and stability.

9. Tornado

The Tornado is an ideal counter for outdoor promotional use. The unit has a hollow moulded top and bottom making it very light and easy to transport. The base can be filled with water or sand for added weight and stability - making it suitable for all weather conditions .

Partnering for success

No matter what your display or exhibition requirements, Nimlok makes it easy to find the perfect solution.

As your partner we will help you achieve your exhibition marketing objectives, not only with our extensive product range and breadth of exhibition management services, but with experience and expertise gained from over 30 years at the forefront of world-wide exhibiting.

To gain better results from your next event, you need to get noticed. And nobody makes it easier to get noticed than Nimlok.

1

1. Horizon

Horizon is the biggest graphic carrier in the range with a graphic area of up to 6m single or double sided. It's the ideal promotional solution for outdoor events, advertisements, exhibitions and public areas such as airports and shopping malls. Several units can be linked together as a seamless wall to make an even bigger impact.

2. Monsoon

A large format banner 'A' frame made from lightweight aluminium, ideal for use with PVC eyelet banners. The Monsoon is very easy to use, is reusable and is the perfect graphics carrier for venues, events, exhibitions, promotions and indoor or outdoor shows.

3. Whirlwind

Whirlwind is a heavy-duty double sided swing sign for displaying A1 posters. The unit has a wheeled compact moulded base that can be filled with water or sand. The snap frame poster holders make changing your message extremely quick and simple.

4

4. Storm

A purpose designed outdoor banner stand built for durability and strength.

5. Feather Flag

The Feather Flag is a promotional and lightweight solution that gives you ultimate presence at any outdoor event. The 6 metre, 4 section pole is inserted in to grassed areas for a highly portable unit.

6. Wind Dancer Maxi

For high impact promotions, the Wind Dancer maxi is the ideal solution. The telescopic pole extends to over 5m high, so you can be sure to get your message across. The unit splits down into sections for easy carriage, with a 4 part hollow base that can be filled with water or sand for extra stability.
